

A photograph of a modern bathroom. In the foreground, a white bathtub is partially visible with a white towel draped over its edge. Above the tub, a white wall-mounted TV is shown, displaying a winter scene. To the left of the TV, a shelf holds three rolled-up white towels and some small bottles. A large window in the background lets in bright light. Overlaid on the right side of the image is the 'OCEA Style' logo, which includes the word 'OCEA' in a sans-serif font, a registered trademark symbol, and the word 'Style' in a script font, with a colorful rainbow wave graphic underneath.

OCEA STYLE FEATURES

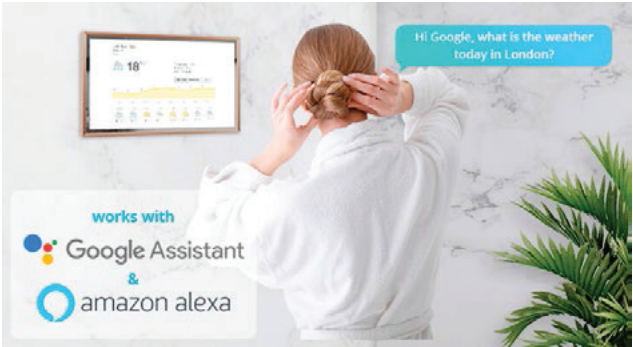

Ocea Style is Super Smart

Ocea Style is a fully equipped Smart TV. Simply connect to Wi-Fi, log in your account and enjoy the world wide web. Watch Netflix, Youtube, the latest news, and of course live TV (download your provider's app), see your photo albums, connect with friends, and much, much more. Almost everything you can do on your smart phone; you can do on the Ocea Style.

Worry-free Zepp

Ocea Style comes standard with the Worry-free Zepp. Wirelessly control all the Smart TV functions. With the built-in keyboard it is easy to stay on top of your Facebook and Instagram, and with the Built in microphone, you can ask Alexa or Google Assistant to assist you. The Zepp comes with a worry-free waterproof cover, and a convenient holder with suction cups, so you can put it anywhere you like.

You Can Do the Talking

Ocea Style is compatible with Google Assistant and Alexa. The Zepp Remote control comes with a microphone built-in, that is easy to use, but also easy to turn off if you don't want to use it.

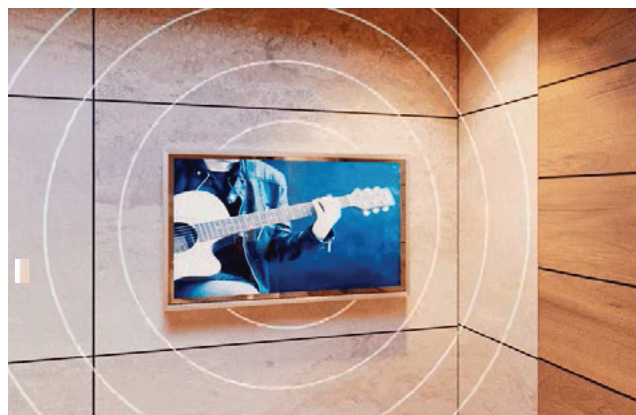

Sleek Design

With a thickness of only 1.4" (35mm), Ocea Style will look great in every bathroom. The sides close almost gapless to the wall.

12 Volts Safe, Waterproof

Ocea Style is powered safely with 12 volt, or 24 volt (for model 32" and larger) which gives you a piece of mind when using electrical devices in the bathroom.

Hear It to Believe It

Ocea Style comes with great, high quality speakers integrated on the back of the TV. They provide a wonderful audio experience in your bathroom

MirrorFeeds

Mirror Feeds is a free smart application for your OCEA Style. Navigate your way into the business world, see what's trending in the entertainment industry, be updated with the latest discoveries about health and science or see what's latest in technology. You can also monitor stocks, currencies, check the weather in your current location or change the lay-out of your feeds.
